## LANGUAGE

- English
- German
- Urdu

## EXPERIENCE

**Freelance Web Developer**                     *2023 – Present*

Self-Employed – Lahore

- Developed a full-stack web application "Save My Cambridge" using React, Node.js, and Express.
- Created multiple React mini-apps including a chatbot, attendance system, and interactive web tools with Vite.
- Built small browser-based horror and puzzle games, experimenting with storytelling and interactive design.

**Computer Science Instructor**                     *2023 - 2024*

Rise Educational Complex – Lahore

- Helped students build a strong foundation in computing and basic web development.
- Strengthened communication and problem-solving skills through diverse classroom experiences.
